Discover Your Powerful Presence!

Are you having the impact you want to have in your professional and personal life? Have you been feeling like there is “something extra that you can’t quite put your finger on” that would help you to move forward and increase your results?

Powerful Presence has often been called the “something extra” that makes the difference between “OK” results and exceptional ones.

Everyone has a presence—it’s your behavior, your expressions and the impressions you give; it’s your impact. Powerful Presence is a choice—and it can be learned.

*It’s not true that you either have Powerful Presence or you don’t.
What is true: you either make sure you have it, or you don’t.*

In this teleclass series you will explore and practice:

- The three **Beliefs** that will help you to develop dynamic resourcefulness
- The three **Abilities** that will allow you to feel comfortable in your own skin, create authentic connection with just about anyone and navigate through any situation you face.
- The three **Actions** that will help you to grow and enrich your Powerful Presence, long after this class is over

For about the price of 1 hour of coaching with me, you will receive:

- Twelve weekly 90-minute teleclasses
- Twelve detailed handouts and worksheets
- Twelve class recordings for your continued development
- Two individual coaching sessions with me

Do you ever wish that you had outside support to prepare for an upcoming presentation, a pivotal meeting, a crucial conversation with your boss or an important client? As a participant of this teleclass series, you will also receive:

- Unlimited email support from me during the 12 weeks of the teleclass
